It is decorated with various fresh herbs and spices: a sprig of thyme with small brown seeds in the top right; a wooden spoon with a small white flower on its bowl in the upper right; a sprig of rosemary in the middle right; a wooden cutting board in the lower right holding a bowl of red chili flakes, a bowl of mixed peppercorns, a whole red chili, and a bay leaf; a large white spoon filled with yellow turmeric powder in the lower right; and another sprig of rosemary in the bottom right. In the bottom left corner, there are sprigs of basil and cherry tomatoes.
